Reviews

Great place to stay in Morgantown! Especially during a football game. We walked home from the game and it was great! Josh

Had a very nice stay, plenty of room for our group. Great location, close to the University and it was nice to have parking spaces. Place was clean and well furnished. Would definitely stay here again. David

Excellent homecoming weekend. The property was just as advertised. Plenty of room for each of us and our own space to boot! The location couldn't have been better.... Close to the stadium and high street for all the weekend activities. Definitely will be renting the property in future for our family football weekends! Thanks for the great hospitality! Greg

Great place with tons of space. Patrick

We stayed 3 nights and truly enjoyed it! The home is spacious with plenty of room for family. The basement area of the home has a bedroom, bath and living area with TV which was perfect for my mother-in-law. There was an AC/ heat split unit in the living area as well as the bedroom, which was perfect as she likes to be warmer at night than my husband and I. We had no issues with our stay and will definitely stay again when we visit our niece in Morgantown. The owners were wonderful and very responsive when we had questions.
